KEY

* =Peanuts and tree nuts are not used in Pizza Hut restaurants. May be used in common manufacturing plants.

✓=contains allergen

†=contains ingredient that may cause sensitivity

• =products are prepared in common equipment and therefore may contain allergen

The HERSHEY'S® trademark and trade dress used with permission.

The allergen information displayed on this site is based on standard product formulations and is current as of February 2010. Variations may occur due to differences in suppliers, ingredient substitutions, recipe revisions, and/or product production at the restaurant.

Anchovies (Fish) are offered in many Pizza Hut restaurants. Shrimp (Shellfish) is offered in a very limited number of Pizza Hut restaurants. Customers with concerns should contact their restaurant directly to determine if these ingredients are handled in the restaurant.

Some menu items may not be available at all restaurants. Limited time offers, test products, or regional items have not been included.

Customers with allergy-related questions can contact the Food Allergy and Anaphylaxis Network (FAAN) on the web at foodallergy.org or by telephone at (800) 929-4040.
